

ABBAS TAOFEEQ OLAKUNLE

Frontend Engineer | React.js • Next.js • TypeScript • Tailwind CSS

Abuja, Nigeria | +234 902 859 2933 | abbastaofeeq.001@gmail.com | Portfolio: abbas-taofeeq-com.vercel.app | GitHub: github.com/AbbasTaofeeq | LinkedIn: linkedin.com/in/abbas-taofeeq-olakunle1

SUMMARY

Frontend Engineer with 3+ years building production-grade responsive web applications using React.js, Next.js, TypeScript, and Tailwind CSS. Focused on component-based architecture, performance optimization (SSR/SSG/ISR, code splitting, lazy loading), accessibility (WCAG), and REST API integration. Shipped 7+ live products across consulting, education, and housing sectors, improving engagement by 25% and achieving 95+ Lighthouse scores.

SKILLS

Frontend: React.js, Next.js, TypeScript, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Context API, Redux, Responsive Design, WCAG Accessibility, Figma-to-Code, Design Systems

Performance & Quality: SSR / SSG / ISR, Code Splitting, Lazy Loading, SEO, Performance Optimization, Lighthouse, Debugging

Integration: REST APIs, JSON, Authentication, Third-Party Services

Tools & Deployment: Git, GitHub, Vercel, Netlify, Azure App Services, Docker, GitHub Actions, Postman, Chrome DevTools, Azure DevOps, Trello, npm

Testing & Quality: Jest, React Testing Library

EXPERIENCE

Mswitch Group (Techspecialist Limited) — Frontend Engineer | Abuja | Jan 2026 - Present

- Build and maintain scalable production frontend applications using React.js, Next.js, TypeScript, Tailwind CSS, Context API/Redux, implementing SSR / SSG / ISR, code splitting and lazy loading to improve performance and maintainability
- Architected reusable component system and design system accelerating development for 4+ corporate sites including kadirsalami.com (100 Lighthouse) and techspecialist.ng using TypeScript and Figma-to-Code workflow
- Integrated frontend with REST APIs and third-party services, implemented authentication and WCAG-accessible responsive UI improving cross-device engagement and reliability
- Deployed and maintained applications on Vercel and Azure App Services with GitHub Actions CI/CD, debugging and performance monitoring via Chrome DevTools

Shamzbridge Consult — Frontend Developer | Abuja | Jan 2024 - Dec 2024

- Developed responsive corporate websites and web applications for consulting, education, and housing sectors using React.js, Next.js, TypeScript, Tailwind CSS as part of frontend team
- Improved website engagement ~25% and task completion through responsive UI implementation, performance optimization (SSR / SSG / ISR), and SEO best practices
- Built reusable frontend components for mortgage calculators and housing data presentation, improving consistency and accessibility across 5+ live products
- Collaborated with designers, PMs, and clients via Azure DevOps and Figma-to-Code workflow, integrating REST APIs for seamless UX

SELECTED PROJECTS - Full case studies: abbas-taofeeq-com.vercel.app

- **HMIP - Housing Market Information Portal (Team Project)** | React.js, Next.js, TypeScript, Tailwind CSS — Part of frontend team building live data portal for NMRC; developed reusable mortgage calculator components, responsive WCAG UI improving task completion 25%; Live product
- **NECA ICT Academy (Team Project)** | React.js, Next.js, TypeScript, Tailwind CSS — Part of team building education platform; developed learner enrolment and program discovery interfaces supporting 500+ learners onboarded; Live product
- **Studio3 Launchpad (Team Project)** | React.js, Next.js, TypeScript, Tailwind CSS — Part of team building EdTech platform; developed course discovery UI and information architecture contributing to 40% cohort growth; Live product

EDUCATION & CERTIFICATIONS

Nigeria Certificate in Education (NCE), Computer Science / Physics — Kwara State College of Education, Oro | Frontend Developer Cohort 5 (2023) — TIIDELab Initiative | Microsoft Certified: Developing AI Apps and Agents on Azure (AI-103)
